MY FUNERAL PLAN

MAKE YOUR WISHES KNOWN

Planning a funeral is something that our family will all have to do at one time or another. It is a heartbreaking and confronting time, having to make decisions without knowing what you truly wanted and how you wanted your life celebrated.

Having your funeral wishes clearly detailed, organised, and available for your family, removes some of the pressure on your family and allows your final wishes to be honoured and carried out. Making your funeral wishes known also allows your family to focus on the important things, like being there for one another, acknowledging and expressing their grief and remembering all the wonderful memories they made with you.

To make this process as easy and simple as possible, we have created My Funeral Plan. My Funeral Plan walks you through the process of planning your funeral wishes and gives you the opportunity to define how you want your life celebrated.

Combined with a prepaid funeral bond, you can alleviate all the stress factors associated with planning a funeral and have complete control of how you say goodbye.

Once you have completed My Funeral Plan, simply drop into our office and we will securely store it on file, along with details of your funeral financial arrangements, and will provide the executor of your estate with a copy of your funeral plan for their records. We will take care of everything when the time comes and be there for your family when it's time to say goodbye.

If you would like some support from one of our family to complete My Funeral Plan or to arrange a legal will kit, please feel free to call us on 1300 110 138 or pop into our office and we would be more than happy to assist you.
